Dear Parents and Carers,

Our children are still working tirelessly, practising for their Christmas productions and I can't wait for you to experience their fantastic singing and performances next week. Everyone has worked extremely hard in preparation for their performances including our school staff who work tirelessly to organise costumes, timetable singing practises and run script rehearsals.

I'm pleased to report that our flu vaccination programme ran smoothly on Monday. It's reassuring to see our community taking proactive steps towards health and wellbeing.

Our Reception children enjoyed a wonderful day out at Gibside and were lucky enough to experience dry weather. They enjoyed a great adventure, and it was lovely to see them return with beaming smiles and tales of exploration.

Christmas performances: Your child should have brought home tickets for performances next week. We are looking forward to seeing you all there to support the children.

Christmas movie Day – Friday 13th December

Next Friday is our much-anticipated Christmas Movie Day. Children are welcome to come to school in relaxed clothing or pyjamas, ready to enjoy a cosy day with a festive film, cookies, and hot chocolate. It's sure to be a treat!

Our Christmas lunch is scheduled for Tuesday, 10th December - always a highlight of the season.

Our Christmas parties are as follows: Ammended

- Monday 16th: Year 1 & 2
- Tuesday 17th: Years 3 & 4
- Wednesday 18th: Year 5 & 6 and EYFS

Children can come to school in their party clothes on their designated day, and we'll provide drinks and snacks.

After school clubs will finish this week and our new ones will start the first week back, once we have all of the details of the new clubs we will let you know and you can login to our Arbor App and book your child onto one of their choice.

On a more serious note, we've had an incident where a staff member's parked car was damaged by a passing vehicle that failed to stop. I kindly ask all parents to park considerately around our school during pick-up and drop-off times.
