Dear Parents and Carers,

As we approach the festive season, there's a wonderful buzz of excitement in the air with tuneful Christmas rehearsals being carried out!

First and foremost, thank you to all the parents and carers who attended our recent parents' evening. Your engagement and support are invaluable, and these meetings provide a crucial opportunity for us to work together in nurturing your child's growth and development. The conversations we had will undoubtedly help shape our approach moving forward, ensuring each child receives the tailored support they need to flourish.

Well done to our young cyclists who participated in the bike ability programme this week. Watching them pedal their way to newfound confidence and skill was truly inspiring. These practical life skills are just as important as academic achievements, and I'm delighted to see our children embracing these opportunities with such enthusiasm.
