Issue No: 17 16th January 2026

Dear Parents and Carers,

We're now two weeks into 2026, and I'm delighted to share how wonderfully our children are approaching their learning. Their hard work and focus are truly inspiring, and it's a joy to witness their enthusiasm and commitment.

I'm excited to share an upcoming event that I know will spark curiosity and excitement among our children. **On Friday 6th February**, we'll be celebrating National Number Day! While Miss Gilderoy our school maths lead will be sending out more detailed information next week, I can give you a sneak peek of what's to come.

This will be a special day off our regular timetable, entirely dedicated to celebrating numbers and mathematics. It promises to be an engaging and fun-filled day for our children, designed to make learning about numbers an enjoyable experience. The team has been planning some exciting activities, and I encourage everyone to watch this space for more details.

We're looking forward to making this a memorable day that brings mathematics to life in creative and inspiring ways.

Don't forget! On Monday 19th January, we will be asking the children to wear something bright with their uniform - perhaps a bright sock or hair accessory. We're turning 'Blue Monday' into a fun and exciting day for all, transforming what is traditionally seen as a challenging day into something positive and engaging.

'Showing up today plants the seeds for tomorrow's success'.

I'm delighted to share that our whole school attendance this week is **95.1%**, which is slightly above the National Average of 94.5%. Thank you for supporting us to keep our children in school and learning.
