Issue No: 18 23rd January 2026

Dear Parents and Carers,

I hope this newsletter finds you well. I wanted to share some wonderful moments from our school community this week.

Monday brought a delightful splash of colour as everyone came together to combat 'Blue Monday'. Your support in providing bright hair accessories, colourful leg warmers, and other cheerful additions was truly appreciated. It's amazing how a little brightness can lift everyone's spirits!

This week has been particularly exciting with our World Religions Day/Week. We've been fortunate to host some incredible visitors who have led assemblies that have captivated our children's curiosity. I've been incredibly proud watching our children engage so enthusiastically, asking thoughtful questions and eagerly learning new facts about different religious traditions.

I'm thrilled to share some upcoming events that I know will bring joy and excitement to our school community. First up is our **Number Day on Friday, 6th February**. This will be a fun-filled mathematical adventure where children can get creative with their dress-up and potentially win some prizes. It's a fantastic opportunity to make maths engaging and enjoyable!

We're also planning a **Friendship and Fun Week starting 16th February**. We're taking a unique approach by asking the children how they'd like to celebrate friendship. We'll be finalising the activities soon and will share more details once everything is confirmed. I'm looking forward to seeing the wonderful ideas our children will bring forward.

Our year 6 SATs information meeting for parents is next **Tuesday 27th January at 3:30pm** where parents and carers can find out all of the information they need to know about National KS2 Testing and ask any questions.

Lastly, I want to address an important community matter. We kindly ask everyone to be considerate when parking around the school during drop-off and pick-up times. I've attached a poster with some advice to help our West Lane neighbours and, most importantly, to ensure the safety of our entire school community.

'Showing up today plants the seeds for tomorrow's success'.

Our whole school attendance this week is 94.9% which is just above the national average of 94.6% Thank you for your continued efforts to support our children coming to school.
