Issue No: 20 6<sup>th</sup> February 2026

Dear Parents and Carers,

I wanted to share some wonderful moments from our school this week. There has been an incredible buzz around maths that I'm excited to tell you about!

A huge thank you to all the parents and carers who managed to come and observe maths lessons across the school. We hope you enjoyed seeing maths in action and experiencing our children's working environment.

Today's Number Day has been an absolute highlight, and I have never seen so much creativity! It was truly delightful to witness the imaginative costumes across school from calculators and dominoes to a shopping list with coins. The children have thoroughly enjoyed working on fun maths activities today, and I encourage you to check our Facebook page to see our prize winners and all the exciting moments from the day.

Can I also express my thanks to everyone who has completed the online Parent's Questionnaire. So far this has been really valuable feedback about moving forward strengthening our home / school partnerships. The questionnaire closes on Monday so you still have time to add your thoughts if you have not done so already using this link: <https://forms.gle/dySJAzhkY1dmvGF27>

Next week is 'Children's Mental Health Week. Our children will be participating in activities and assemblies centred around this. I am hoping to join in with some 'mindfulness colouring' as this is always a firm favourite!

On **Tuesday 10<sup>th</sup> February** next week we will be celebrating 'Safer Internet Day' the children will be thinking about their own online safety and this year's theme which is AI. Please see the link below should you wish to find tips and advice for parents. [Safer Internet Day 2026 - UK Safer Internet Centre](#)

Looking ahead, I'm thrilled to share a reminder about our upcoming '**Friendship and Fun Week**' which will begin on the week of **16th February**. We are currently gathering ideas directly from the children to shape the week, ensuring it's centred entirely around friendship. To celebrate the conclusion of this exciting week, we are inviting the children to '**Dress as Yourself**' on the last day of term **Friday 20<sup>th</sup> February**- a wonderful opportunity for self-expression and community connection.

**'Showing up today plants the seeds for tomorrow's success'.**

Our whole school attendance this week is 95.4% which is just above the national average of 94.6% Thank you for your continued efforts to support our children coming to school.

Everything we organise in school is a positive reminder of how vibrant and engaging learning can be when we create opportunities for creativity, participation, and joy.

Have a lovely weekend.

Colette Bell  
Head Teacher

**Please continue to check our school calendar attached to this email as this is updated weekly.** *Please keep visiting our Facebook page to find out up to date messages and curriculum news across the school!*
