Issue No: 33 5<sup>th</sup> June 2026

Dear Parents and Carers,

What a wonderful start to the summer term! It's brilliant to see our children back into their learning and settling into the routines of school life. The energy and enthusiasm around West Lane has been fantastic, and I'm hopeful we'll enjoy some lovely summery weather to make the most of all the exciting activities we have planned.

Next week is shaping up to be absolutely packed with events and celebrations that showcase the very best of our school community. Our Year 6 Leavers Fayre is taking place after school on **Wednesday 10<sup>th</sup> June from 3:20** onwards, and I'd encourage you to come along and support their enterprise. The children have been busy preparing and have plastered posters around school advertising their wonderful wares. There's something for everyone – from nail painting and glitter tattoos to a tombola and even a penalty shootout. It's a fantastic opportunity for our Year 6s to have fun whilst raising money, and your support means the world to them.

We're also looking forward to our Monster Kick About Day next week, which promises to be a fun-packed celebration as we build excitement for the upcoming World Cup. The children are already buzzing about it, and I know they'll have a brilliant time getting involved in all the activities we have lined up.

Art Week is another highlight coming up, with our children studying colour in different forms across the school. The wonderful pieces of artwork they've been creating will be displayed at our very own West Lane's Art Gallery on **Thursday 25<sup>th</sup> June** after school. Please do come along and have a look at the children's fantastic paintings showcasing colour. We're offering the opportunity to purchase your child's artwork for a small cash donation, with all money going towards enhancing our outdoor areas. It's a lovely way to support both the children's creativity and our school environment.

Nursery, Reception, Year 1 - lower school hall

Year 2, 3, 4 - upper school hall

Year 5 & 6 - new build (blue block)

I'd also like to take this opportunity to remind parents about mobile phone use on our school site before and after school. Whilst we understand that children may have phones with them, we ask that they remain sensible and keep them in their pockets and bags when unsupervised. This helps us ensure there are no questions about what devices are being used for. We really appreciate your support with this matter.

**'Showing up today plants the seeds for tomorrow's success'.**

Our whole school attendance this week is 92% which is below the Arbor recorded national average of 94.6% . Thank you for your continued efforts to support our children coming to school.
